Press Release
Gallatin County COVID-19 Update

As of Monday, Aug. 17, 2020, at 12 p.m. Gallatin County has had 18 new confirmed cases of COVID-19 since Friday, Aug. 14, for a cumulative total of 1,010.

There were 15 new cases reported on Saturday, two new cases reported on Sunday, and one new case reported on Monday.

There are 40 confirmed active cases and no current hospitalizations. There have been a total of 967 people recovered in Gallatin County. Three people have died from COVID-19 complications.

More data can be found on Gallatin City-County Health Department's dashboard on our website [here](#). This dashboard will be updated by 12 p.m. daily. Information on statewide cases continue to be found [here](#).

Please note that local data may differ from data about Gallatin County provided by the state as the Gallatin City-County Health Department may be alerted to additional cases before the state.

The Gallatin City-County Health Department calculates the **recovered case number** as the number of total cases minus any active cases, current hospitalizations and deaths.

The Gallatin City-County Health Department Call Center is open seven days a week from 8 a.m. to 5 p.m. to answer questions about COVID-19. Reach the Call Center by phone at 406-548-0123 or email at callcenter@readygallatin.com.

The most accurate local source of information remains the GCCHD [website](#).
